

ARROWS wins the "Innovative Company of the Year 2024" award and scores in ten other categories

Prague, 04. 12. 2024 - Arrows ETL Global celebrates extraordinary success in the prestigious Law Firm of the Year competition. Thanks to you, Arrows has also been awarded as "Innovative Firm of the Year", which confirms its leading position in the field of modern legal practice. In addition to this achievement, the firm was recognised in ten other categories, with five of these being ranked as highly recommended law firms.

"This award is proof that innovation and modern approaches play a crucial role in the development of legal services," commented the firm's managing partner Jakub Dohnal, the success, adding: *"Our decision to create our own AI implementation team is delivering tangible results not only for us, but most importantly for our clients. This step increases the efficiency and quality of our legal services."*

The "Innovative Company of the Year" award was presented to Petra Hučíková together with ARROWS partner Vojtěch Sucharda. In her speech, Petra drew attention to the uniqueness of this moment: *"I have a feeling that this is the first time that a person who is not a lawyer has received the award at this event. And I think it is symbolic - it is the award for innovation that reflects the new way we want to be perceived. The Czech Republic is at the cutting edge of innovation and the competition in our industry motivates us to continuously improve."*

At Arrows, Petra Hučíková is responsible not only for financial and operational management, but also for the implementation of modern technologies, including artificial intelligence. *"I would like to thank all my colleagues for their excellent work. This achievement belongs to all of us, and I would like to dedicate it to our team behind the day-to-day functioning of the office,"* she added while accepting the award.

About Arrows:
